OF THE LICENSE OF

Administrative Action

AMADOR HORMILLA, M.D.
LICENSE NO. MA 45760

CONSENT ORDER OF UNRESTRICTED
LICENSE REINSTATEMENT

TO PRACTICE MEDICINE AND
SURGERY IN THE STATE OF
NEW JERSEY

This matter was opened to the New Jersey State Board of Medical Examiners ("Board") on the receipt of a complaint Alleging that Amador Hormilla, M.D. ("Respondent"); (1) failed to adequately document a medical basis for numerous laboratory tests, which were performed by his own laboratory; (2) improperly billed for a physical exam and medications on himself; (3) self-prescribed medication.

Respondent Hormilla appeared before a Preliminary Evaluation Committee of the Board in February 2005, and testified about his

medical care of a number of patients, the necessity for numerous diagnostic tests and his basic medical knowledge. Respondent was represented by counsel in all matters pertaining to the Board's investigation. Subsequent to his appearance in 2006, Respondent closed his laboratory and divested himself of his medical billing practice.

By Consent Order filed October 25, 2006, the Board found that:

1. Respondent improperly ordered and billed for medical services and diagnostic tests that were not documented as necessary or as having been rendered in his medical records, thereby violating N.J.S.A. 45:1-21(b) and (e); and that

2. Respondent failed to maintain properly documented medical records, in violation of N.J.A.C. 13:35-6.5, thereby violating N.J.S.A. 45:1-21(h).

3. Respondent, Amador Hormilla, M.D.'s, license to practice medicine was suspended for a period of two (2) years, upon entry of this Order. The entire term was to be stayed and served as a period of probation, as long as Dr. Hormilla successfully complied with all terms required by the October 25, 2006 Consent Order.

Subsequently, Dr. Hormilla successfully completed a Board-approved ethics course and an approved billing and documentation course within eighteen (18) months of the filing of this Consent Order.

Respondent divested himself of his clinical laboratory and agreed not to derive any income from such laboratory. Respondent agreed not to own or operate or derive income from a clinical laboratory, with an exception made permitting him to be a minority shareholder in a publically-traded company involved with laboratory services. Respondent divested himself of his medical/health billing practice and agreed not to derive any income from such medical/health billing practice.

Dr. Hormilla sought and was granted permission to sit for the Internal Medicine Board Exam, offered in August 2008. If he is unsuccessful, he shall be afforded the opportunity to take the exam again in 2009.

In order to enable Respondent Hormilla the opportunity to sit for the American Board of Internal Medicine Examination in August 2008 and, if necessary, 2009, it is hereby Ordered that:

1. Respondent Hormilla's license to practice medicine and surgery in New Jersey is no longer subject to a stayed suspension. He is hereby granted an unrestricted license to practice medicine and surgery in the State of New Jersey.

2. Respondent shall take and successfully complete the MKSAP 14 and provide proof of such to the Board by July 31, 2008.

3. Respondent must continue his divestment of his prior business.
